Balto. Md.

Dear Humber:

I received your letter, and I was not a bit surprised to hear from you, because I had sent the enclosed form to you, and it had been returned. I sent it to the address I had, 200 Center St. I knew you would write for it some time before March 15th.

It was nice to hear from you, and know you are alright. We just had a league meeting in New York yesterday and the day before. We are meeting again Feb. 12th in Baltimore. I do not know the exact place but we will be at The York Hotel I imagine. I guess you will get around to the place wherever we are. The Ballplayers usually come to the baseball meeting when they are in the town.

Everybody sends regards.

Very Truly Yours
